

SKM Recycling

Don't waste your efforts

- ▶ Accidentally or carelessly mixing household waste into a recycling bin can make your recycling efforts a waste of time.
- ▶ Non-recyclables put into your recycling bin can contaminate an entire truck load of what could have been recycled but instead ends up in landfill.
- ▶ When it comes to recycling if in doubt leave it out.! Better still find out yourself and visit www.skmrecycling.com Australia's most comprehensive brand new recycling website.
- ▶ By recycling you help to look after the environment.
- ▶ Recycling reduces the amount of minerals dug up and trees cut down.
- ▶ Recycling saves on energy and reduces water use and cuts the amount of pollution and greenhouse gases we create.
